ManufacturerIschia Le Terme della Bellezza

Description

Product with intense cooling effect, based on **menthol, cola, ivy, horse chestnut and lemon essential oil.** Indicated for swollen and tired legs, adjuvant in the fight against cellulite, excellent soothing and refreshing. It gives an immediate feeling of well-being and relief. Each sachet contains 2 bandages soaked in coolant. How to use: wrap the part to be treated (legs and feet) with the appropriate soaked bandages, taking

care to apply them in an adherent and enveloping way, with a direction from the bottom up. Keep the bandages for a period of at least thirty minutes. After the exposure time, remove the bandage and allow the treated areas to dry spontaneously.
